She was captain of the Galley Ships  
Brave, she was fearless  
To defend her land and family  
Her name goes down in history

**Toughest on land, toughest on sea,  
Everybody wants to be like me ( x 2)**

From cold Clew Bay to sunny Spain I go,  
I sail a thousand miles, through rocky waves  
A long way to go  
Clashing swords and raging seas  
Crashing waves and nerves of steel

**Toughest on land, Toughest on sea,  
Everybody wants to be like me**

Terra Marique Potens  
Terra Marique Potens  
Gráinne Mhaol, tough as nails  
She was determined not to fail

**Toughest on land, toughest on sea  
Everybody wants to be like me ( x 2 )**

On sunny days and windy nights I run I sail my ship up through stormy seas to be  
the one  
On sunny days and windy nights I run  
I sail my ship up the river Thames to save my son  
She lived half her life on a boat  
And she was the "GOAT"  
More beautiful than a rose  
But way tougher than her bros'

**Toughest on land toughest on sea  
Everybody wants to be like me ( x 2 )**

Terra Marique Potens  
'O Malley Blood running in her veins
