

# Saoirse Gan Daoirse

From sunrise to sunset  
Ó maidin go hoíche  
Solas na réaltra  
Fuaim na gaoithe  
I have wind in my sails  
Always in motion  
Stars to guide me  
To my destiny

## **Curfá | Chorus**

*Saoirse gan daoirse,  
Amuigh ar on bhfarraige.  
Trasna na dtonnta,  
Over the waves.  
The sea is my friend,  
I can rely on.  
The sea is my freedom.  
Cathaim a bheith saor.*

All through the dark night,  
The stars will guide me right.  
Dubhach na hoíche,  
Gan eagla gan imní.  
My divinity is beyond infinity.  
Freedom is the key to being me.

## **Curfá | Chorus**

The sea it saves me  
From all the battles that may be  
Locked up in a tower  
Far from friends and family  
No matter what  
You take away from me  
I shall always have the sea.

## **Curfá | Chorus**

I have travelled far from home  
But I never feel alone  
Coming home from the sea  
To my friends and family  
Remember me, I'm Grace 'O Malley  
Remember me, I'm Grace 'O Malley

**Curfá | Chorus**
